Janet Evanovich

One for the Money Janet Evanovich, 2019-06-04 Now available in a special 25th anniversary edition! Discover where it all began—#1 New York Times bestselling author Janet Evanovich’s first “snappily written, fast-paced, and witty” (USA TODAY) novel in the beloved Stephanie Plum series featuring a feisty and funny heroine who “comes roaring in like a blast of very fresh air” (The Washington Post). Meet Stephanie Plum, a bounty hunter with attitude. In Stephanie’s opinion, toxic waste, rabid drivers, armed schizophrenics, and August heat, humidity, and hydrocarbons are all part of the great adventure of living in Jersey. She’s a product of the “burg,” a blue-collar pocket of Trenton where houses are attached and narrow, cars are American, windows are clean, and (God forbid you should be late) dinner is served at six. Out of work and out of money, Stephanie blackmails her bail-bondsman cousin Vinnie into giving her a try as an apprehension agent. Stephanie knows zilch about the job requirements, but she figures her new pal, el-primo bounty hunter Ranger, can teach her what it takes to catch a crook. Her first assignment: nail Joe Morelli, a former vice cop on the run from a charge of murder one. Morelli’s the inamorato who charmed Stephanie out of her virginity at age sixteen. There’s still powerful chemistry between them, so the chase should be interesting...and could also be extremely dangerous.

Two For The Dough Janet Evanovich, 1999-07-15 From #1 New York Times bestselling author of Dirty Thirty and “most popular mystery writer alive” (The New York Times), Janet Evanovich’s Two for the Dough is irresistibly fun and powerful suspense entertainment featuring beloved bounty hunter Stephanie Plum. It’s the return of Stephanie Plum, New Jersey’s “fugitive apprehension” agent (a.k.a. bounty hunter), introduced to us in the award-winning and bestselling novel One for the Money. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38, Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton’s burg. He’s fresh out of the army, suspiciously wealthy, and he’s just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warms to the action, packing a cool pistol. Much to the family’s chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the
prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli’s not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she’s targeted for a nasty death by the most loathsome adversary she’s ever encountered. Another case like this and she’ll be a real pro.

**One For The Money**, 2011

*One for the Money* Janet Evanovich, 2006-06-13 The dynamite blockbuster from Janet Evanovich that started it all—now a major motion picture starring Katherine Heigl as Stephanie Plum! ONE FINE MESS Welcome to Trenton, New Jersey, home to wiseguys, average Joes, and Stephanie Plum, who sports a big attitude and even bigger money problems (since losing her job as a lingerie buyer for a department store). Stephanie needs cash—fast—but times are tough, and soon she’s forced to turn to the last resort of the truly desperate: family... ONE FALSE MOVE Stephanie lands a gig at her sleazy cousin Vinnie’s bail bonding company. She’s got no experience. But that doesn’t matter. Neither does the fact that the bail jumper in question is local vice cop Joe Morelli. From the time he first looked up her dress to the time he first got into her pants, to the time Steph hit him with her father’s Buick, M-o-r-e-l-l-i has spelled t-r-o-u-b-l-e. And now the hot guy is in hot water—wanted for murder... ONE FOR THE MONEY Abject poverty is a great motivator for learning new skills, but being trained in the school of hard knocks by people like psycho prizefighter Benito Ramirez isn't. Still, if Stephanie can nab Morelli in a week, she'll make a cool ten grand. All she has to do is become an expert bounty hunter overnight—and keep herself from getting killed before she gets her man...

**Money in One Lesson** Gavin Jackson, 2022-01-20 'Superb' - Tim Harford, author of *How to Make the World Add Up* Money is essential to the economy and how we live our lives, yet is inherently worthless. We can use it to build a home or send us to space, and it can lead to the rise and fall of empires. Few innovations have had such a huge impact on the development of humanity, but money is a shared fiction; a story we believe in so long as others act as if it is true. Money is rarely out of the headlines – from the invention of cryptocurrencies to the problem of high inflation, extraordinary interventions by central banks and the power the West has over the worldwide banking system. In *Money in One Lesson*, Gavin Jackson answers the most important questions on what money is and how it shapes our world, drawing on vivid examples from throughout history to demystify and show how societies and its citizens, both past and present, are always entwined with matters of money. ‘A highly illuminating, well-researched and beautifully written book on one of humanity’s most important innovations’ – Martin Wolf, chief economics commentator, Financial Times

**One for the Money** Shane Gordon, 2006-04 Billy Coldwell was product of the 60's. He lived in the projects of LA with his Russian immigrant parents who were unsuccessful in life. He was determined to escape the projects and 'make it' at all costs. Friends who could help him up the ladder of success fell by the wayside, because money was the answer and he would get it somehow. He lived by the moto he learned early in life: One For the Money, don't be so slow, Grab for the Gold Ring and Go, Go, Go!

**The Ascent of Money** Niall Ferguson, 2008-11-13 The 10th anniversary edition, with new chapters on the crash, Chimerica, and cryptocurrency [An] excellent, just in time guide to the history of finance and financial crisis. —The Washington Post Fascinating. —Fareed Zakaria, Newsweek In this updated edition, Niall Ferguson brings his classic financial history of the world up to the present day, tackling the populist backlash that followed the 2008 crisis, the descent of Chimerica into a trade war, and the advent of cryptocurrencies, such as Bitcoin, with his signature clarity and expert lens. The Ascent of Money reveals finance as the backbone of history, casting a new light on familiar events: the Renaissance enabled by Italian foreign exchange dealers, the French Revolution traced back to a stock market bubble, the 2008 crisis traced from America's bankruptcy capital, Memphis, to China's boomtown, Chongqing. We may resent the plutocrats of Wall Street but, as Ferguson argues, the evolution of finance has rivaled the importance of any technological innovation in the rise of civilization. Indeed, to study the ascent and descent of money is to study the rise and fall of Western power itself.

The Psychology of Money Morgan Housel, 2020-09-08 Doing well with money isn’t necessarily about what you know. It’s about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don’t make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In The Psychology of Money, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life’s most important topics.
